PUBLIC NOTICE N°01/24

**(Enrolment on electoral registers)**

The Embassy kindly reminds the Cameroonian community in Japan that enrolments on electoral registers have been ongoing so far and those who expressed the willingness to enroll have done so during the past months.

Like for other services at the Embassy, a compatriot wishing to register is kindly requested to book an appointment. However, a compatriot who is already scheduled for consular matters could also request to be enrolled on electoral registers on the day of his/her appointment.

Moreover, as suggested by some compatriots, the Embassy is considering the possibility of opening enrolments on few Sundays in the upcoming July. Detailed information on this exceptional measure shall be announced in due course.

Lastly, please be aware that the 2024 registration campaign will be closed on August 31, 2024./-
